Our Mission, Vision and Core Values

Our foundational principles guide every project and partnership, ensuring we deliver exceptional value and build lasting trust with our clients.

Our Vision

To be the most trusted partner for integrated contracting and supply solutions in Bangladesh's public and private sectors.

Our Mission

To deliver superior quality and reliability through innovation, integrity, and customer-centric project execution and supply.

Our Core Values

Innovation in service delivery, unwavering integrity in all dealings, and a relentless focus on customer-centric solutions.

Comprehensive 1st Class Contracting

ARI Enterprise delivers high-value construction and contracting services for major government and private sector clients, ensuring quality and reliability from project inception to completion.

- Full-scope project execution for public infrastructure and private developments.
- Strategic focus on high-reliability contracts with entities like PWD and BIWTA.
- Integrated service model combining contracting with supply chain solutions.

Stationery and IT Product Supply

ARI Enterprise provides comprehensive supply solutions, ensuring quality and reliability for government and private sector clients. Our services are a key revenue driver, supporting operational efficiency and project success.

Stationery Supply

We deliver high-volume, reliable stationery to major clients like the Ministry of Industries and Customs, Excise & VAT.

IT Products Supply

We supply essential hardware and peripherals, supporting the technological infrastructure of key partners such as Lucid Tech.

Strategic Value

This integrated supply chain reduces client procurement costs and ensures consistent project support and compliance.

Custom Software Development Services

Bespoke Business

Applications

We build custom software to automate and streamline operations for government and private sector clients, enhancing efficiency and data security.

End-to-End Project Delivery

Our process covers requirement analysis, design, development, testing, and deployment, ensuring reliable and scalable solutions.

Collaborative Development

Approach

We work closely with clients like Lucid Tech and JK Group to create software that directly addresses their unique business challenges.

Our Prestigious Government Clients

ARI Enterprise is a trusted partner for major government bodies, demonstrating our proven capability in delivering critical projects and supplies. These relationships are central to our growth and market positioning.

- **Public Works Department (PWD): A cornerstone client for our 1st Class Contracting services.**
- **BIWTA & Ministry of Industries: Key partners in infrastructure and development initiatives.**
- **Customs, Excise & VAT: A significant client for our stationery and IT supply operations.**

Trade License And Tax Compliance

ARI Enterprise maintains full legal and fiscal registration with Dhaka South City Corporation and the National Board of Revenue. This compliance is foundational for securing government tenders and building client trust.

100%

Holds a valid 1st Class Trade License
(TRAD/DSCC/02314/2021)
issued by Dhaka South City Corporation.

100%

Registered for VAT and
Income Tax with BIN:
002709898-0307 and e-TIN:
358269491754.

100%

Structured banking and
audited compliance enable
seamless transactions with
public and private sector
clients.

Our Growth Milestones Since 2021

Foundation and First Major Contract

Secured official 1st Class Contractor registration and landed our inaugural government project with PWD.

Service Portfolio Expansion

Diversified from core contracting into IT supply and software development to capture new market segments.

Key Client Acquisition and Validation

Onboarded major clients including BIWTA, Ministry of Industries, and JK Group, establishing sector credibility.

Strategic Positioning for Future Growth

Achieved full financial and regulatory compliance, building a foundation for scaled operations and partnerships.

Thank You

We appreciate your time and consideration. We look forward to discussing a partnership to deliver quality, integrity, and innovative solutions for your projects.
